SUMMARY

Highly motivated Junior AWS intern with a passion for automation. Proven ability to design cost-effective cloud solutions and maintain optimal infrastructure performance. Proficient in issue identification and resolution, ensuring seamless user experience. Eager to contribute to a dynamic team and learn from experienced professionals.

WORK EXPERIENCE

AWS Intern - Datapro   Jun 2023 - Aug 2023

Developed proficiency in AWS core services (compute, networking, content delivery, storage). Completed practical AWS mini-projects demonstrating knowledge application. Seeking an internship in AWS Datapro to leverage cloud skills and contribute to real-world projects.

Web Technology Intern - GIT Institute of Advanced technologies   Aug 2023 - Oct 2023

Developed and designed web pages using HTML, CSS, and JavaScript while completing a web technology internship at GIT Institute of Advanced Technologies.

AWS Cloud Computing Intern - APSSDC   Jun 2024 - Aug 2024

Leveraged AWS services as an Intern at APSSDC, gaining practical experience in cloud computing. Developed skills in AWS Solution Architect principles, contributing to projects and enhancing my understanding of cloud infrastructure.

PROJECTS

Host a Website using Amazon S3   Link to Demo

Deployed static websites on Amazon S3, utilizing its cost-effective and scalable storage for high availability. Configured website access control and implemented custom domain mapping. Optimized website performance using CDNs and caching mechanisms. Successfully delivered secure web hosting solutions for client projects.

Design Portfolio Website   Link to Demo

Developed a dynamic and user-friendly portfolio website showcasing design projects, skills, and professional experience. Implemented responsive design principles for optimal viewing across devices. Integrated a contact form to streamline communication with potential clients. Utilized industry-standard web development technologies for a polished and professional aesthetic. Enhanced user experience through intuitive navigation and clear content organization.

EDUCATION

B.Tech, CSE at Avanthi Institute Of Engineering and Technology - Nov 2021 - Apr 2025 (GPA: 8.3)
Intermediate, MPC at Sri Chaitanya Junior College - Jun 2019 - Mar 2021 (GPA: 9.3)
SSC at Sacred Heart Girls High School - Jun 2009 - Apr 2019 (GPA: 9.2)

SKILLS

Programming languages: C Python
Operating Systems: Windows Amazon Linux Ubuntu
Soft skills: Multi-tasking Smart-working Communication Team-work Trouble-shooting
Languages: English Telugu
